The ALASKA TREASURE SEEKERS is an organization dedicated to family outings in the search of lost or discarded items from the past. We enjoy searching legally and with permission for coins, relics and artifacts. Most of us use metal detectors in this endeavor, but it helps to have a “nose” for the past to make your outings more productive.

If you are a person interested in poking around old mine tailings, gold-bearing creeks, city parks and school grounds for gold, coins and jewelry, then this organization is for you.

We are interested in getting you involved in the hobby of metal detecting or just having you join us on our outings. We can’t guarantee success in finding treasure, but we can offer you some good times and plenty of advice and friendship when you join us in this very rewarding hobby.

Yearly Membership Fees: Single -\$22

Couple - \$25

Family -\$28
